Architectural Design | Media Architecture

## NEDIT MediaFace

Do not limit your creativity.

Try to think in new dimensions.

Dimensions which are unimaginable...

...until now.

We will realize it for you.

## NEDIT MediaFace

Do not limit your creativity.

Try to think in new dimensions.

Dimensions which are unimaginable...

...until now.

We will realize it for you.

### Open New Perspectives

Whether Media Architecture, Advertising, Art, Video Installations, Still Images or Visual Signals. NEDIT MediaFace opens a world full of creative possibilities. Without restrictions - Day and Night!

#### Transparency

The LED system is implemented in vertical or horizontal slats. Rooms remain flooded with daylight without restrictions in the outlook and the view to the inside.

#### Esthetic

NEDIT MediaFace is integrated sensitive and nearly invisible into the architecture. The expression of the facade will be preserved.

#### Impression

NEDIT MediaFace is a self-luminous system with a impressive optical quality, caused by the luminous intensity and the support of approx. 1 billion colors.

#### Flexibility

NEDIT MediaFace is adaptable to all building shapes, sizes and contours. Without a limitation in size, up to 10000 square meters and more.

#### Creativity

NEDIT MediaFace do not limit your creativity. It's the true platform for jutting ideas and big emotions.

Architecture and her...

...fourth dimension.
